

## Richard D Sanborn Endowed Scholarship Fund

Richard D. Sanborn was a distinguished attorney, transportation executive, civic leader, and staunch supporter of America's free enterprise system. He was an active member of the Jacksonville University Board of Trustees. Following his death in 1989 Mr. Sanborn's friends established this scholarship to honor him and to perpetuate his memory. They continue to donate to this fund every year.

Born in New Hampshire, Mr. Sanborn always dreamed of working for a railroad. After graduating from Harvard Law he wrote to the presidents of all the major railroads and in 1961, he became an attorney for the Atlantic Coast Line Railroad in Jacksonville. He spent most weekends riding the freight and passenger trains until he had covered every mile of the railroad's tracks. His firsthand knowledge of train operations served him well in later years as he worked as President and CEO of Conrail. Awards will have a value of at least \$1,500 and will be divided into 202 shares. Scholarships will be payable to Jacksonville University in the name of the scholarship winner and may be used for school charges not covered by other grants or scholarships.
