With Critical Illness insurance, you can:

- **Protect your loved ones.** Cover your spouse up to \$15,000, as long as it's not more than 50 percent of your benefit amount. Your kids are automatically covered at 50 percent of the amount elected for yourself for the same critical illnesses that you are. Kids are also covered for 21 additional childhood diseases, including cystic fibrosis, Down syndrome, muscular dystrophy, spina bifida and cerebral palsy.
- **Receive a benefit for taking care of your health.** You and your covered loved ones receive a Health Maintenance Screening benefit of \$50 once per calendar year when visiting the doctor for a covered wellness screening, which may include a novel infectious disease test (including COVID-19) or a mammogram — that typically cost you nothing under your medical insurance.
