

## Using the Course Catalog/Course Search Student Self Service

The course catalog/course search in Self Service is used to find course sections for a specified term. The course search can be used for registration and planning courses for a future term. To access the catalog search:

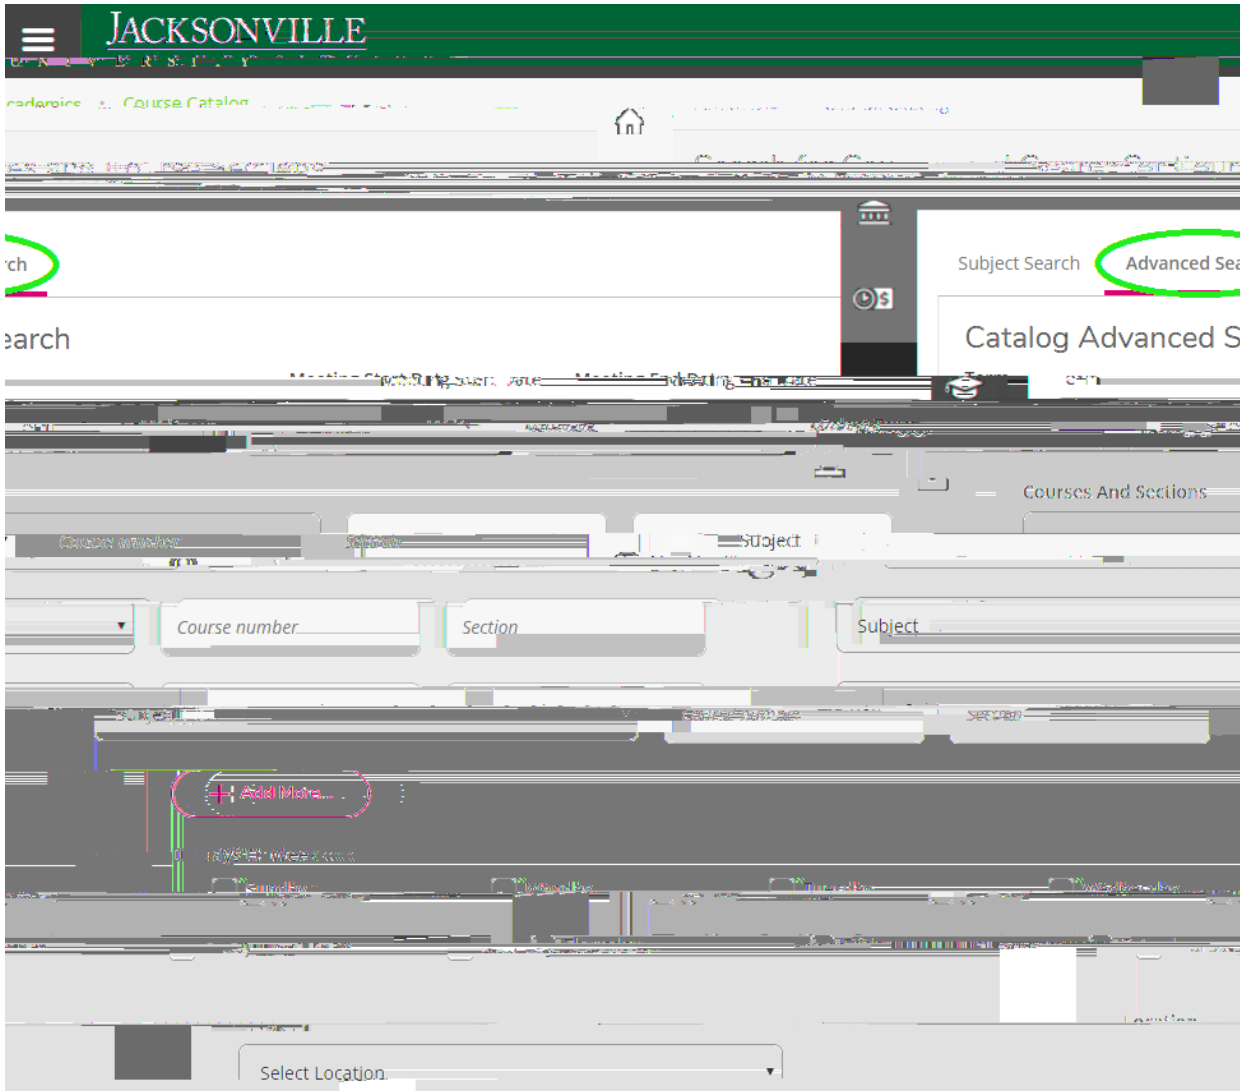

1. Click the self-service icon in my.ju.edu

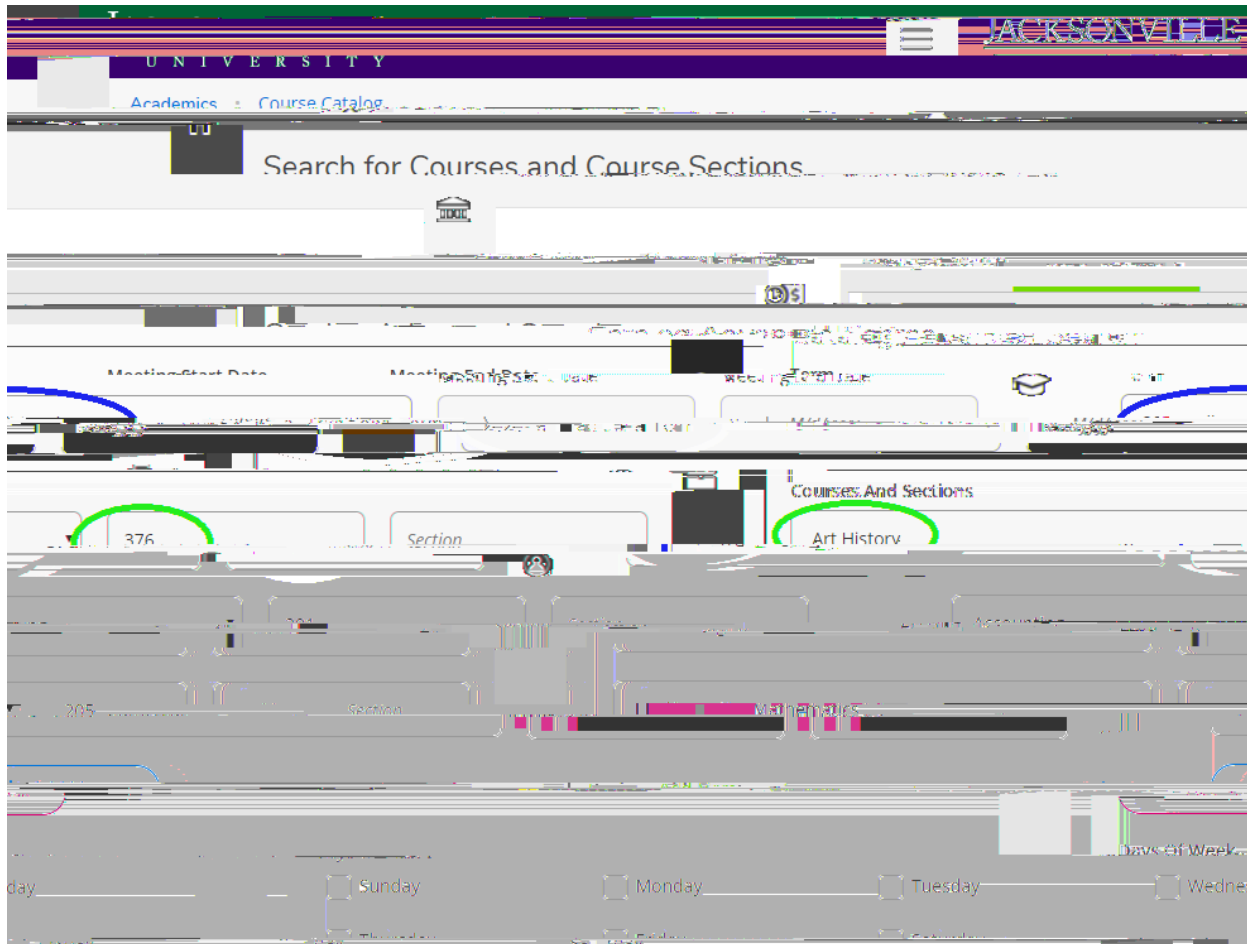

2. Select the Course Catalog link

3. Select the Advanced Search option

4. Complete the search criteria and click search at the bottom

To review a section's information:

- 1.
